## Great Trains & Grand Canyons

February 16 - 21, 2020

Sedona, Arizona is known for its magnificent red-rock buttes, steep canyon walls and pine forests. This tour offers not one but TWO fabulous rail journeys – the Grand Canyon Railway and the Verde Canyon Railroad as well as the Grand Canyon National Park and Oak Creek Canyon. The Grand Canyon National Park is home to much of the immense Grand Canyon, with its layered bands of red rock revealing millions of years of geological history. The Oak Creek Canyon is a river gorge and is often described as a smaller cousin of the Grand Canyon because of its scenic beauty. We'll enjoy the stunning beauty of the red-hued rocks while staying at a spectacular resort property.

## Pocketbook-Friendly Tours

What exactly does the term 'pocketbook-friendly trip' mean and what type of trip experience does it provide me?

It means you'll receive the same great service that you have come to expect from the Go Club team, just brought to you at a more economical price. Hotel accommodations are rated as a two to three star and are located outside the destination area and meals will be good, though may feature a more basic offering or buffet style setting. To keep cost to a minimum, we utilize local step-on guides instead of hiring the services of a full-time guide. We also will include less costly options when visiting destinations to help stretch your money. These differences help Go Club bring you great trips, at the pocketbook-friendly price!

## Go Club Policies

**Member Priority Date:** This means that reservations will be accepted from Go Club members only, for a period of time. Once the Member Priority Date has passed, we are then happy to accommodate any reservations from non-members, pending space availability. If you or someone you know is interested in becoming a Go Club member, please contact a Go Club team member and we'll get you signed up.

**Membership:** All bank customers and friends are welcome to join Go Club. Membership qualifications are a minimum \$5,000 banking relationship with GNB Bank. Qualifying accounts are checking, savings, CDs, IRAs, loans, insurance or investment accounts. Members will receive our newsletter, invitations to attend club events and parties, and will have priority on trip sign-ups. Guests are welcome to travel when space is available.

**Cancellation:** If you have signed up for a day trip, then find out you need to cancel, a full refund of your payment is guaranteed before the final payment deadline. After the deadline, you are welcome to find someone to travel in your place. If you cannot find a replacement, Go Club will make every effort to locate a person to travel in your place. If no replacement is found, every effort will be made to secure as much of your payment as possible from businesses where reservations have been made. Please realize that a 100% refund is not usually possible. On extended trips, travel insurance is available for purchase for cancellations due to medical reasons. Please check with the Go Club Director for more information.

**Health:** Go Club is committed to insuring the good health and well-being of all our travelers. Some trips may be physically demanding, requiring a certain degree of strength and stamina. We reserve the right to determine the ability of a traveler to participate in trips that may jeopardize his/her health or safety or impede the participation of other travelers.

**Sign-up:** Club members have priority on trip sign-ups. If you are a member and are traveling as a single, you are welcome to bring a guest with you as your roommate, regardless if they are a club member. Non-member trip registrations will be accepted after the listed priority date on each trip.

**Late Fee:** There is an additional cost of \$5 per day for late payment.

## Activity Guide

Often we are asked about the pace of a particular trip. Some of you may prefer to lounge by the poolside, while others like to be more active and take in as many sights as possible. We have created the following icons to indicate the physical requirements on each of our trips:

**1.** This tour involves minimal to average physical activity such as boarding the bus, walking from the hotel lobby to your room, walking from the bus to a restaurant or sightseeing opportunity, and possibly climbing some stairs.

**2.** This tour involves average to moderate physical activity. The itinerary tends to include longer days. You should be in good health, able to climb stairs, stand for extended periods of time and walk a longer distance, possibly on uneven terrain.

**3.** This icon denotes our most active trips. These tours require that you're able to participate in physical activities such as extensive walking tours, long periods of standing and climbing over uneven terrain and/or steps. The tour may also include activities/meals that are scheduled for later in the evenings.

We hope these icons will give you peace of mind knowing what physical activity is required on each of our trips - before you sign up - to ensure you enjoy your trip to its fullest!
